How to Use

1. Left hand fingering is indicated as numbers within a circle: **③**

Right hand fingering is indicated as numbers without a circle: **3**

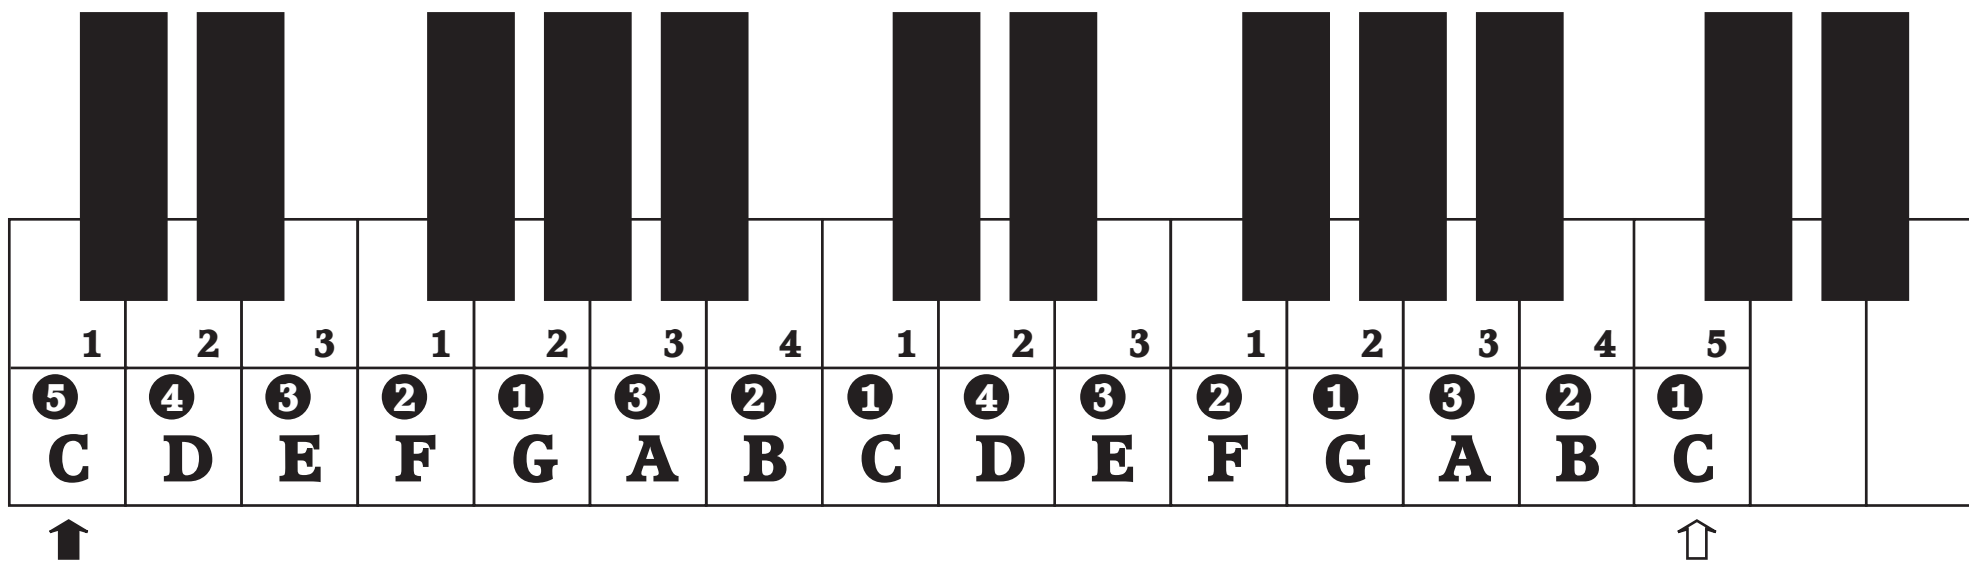

2. Alternative fingering is shown in bracket below for white keys and above for black keys: (**④**)

3. To find the current position in a contrary motion scale, match left and right hand note with the same dice symbol:

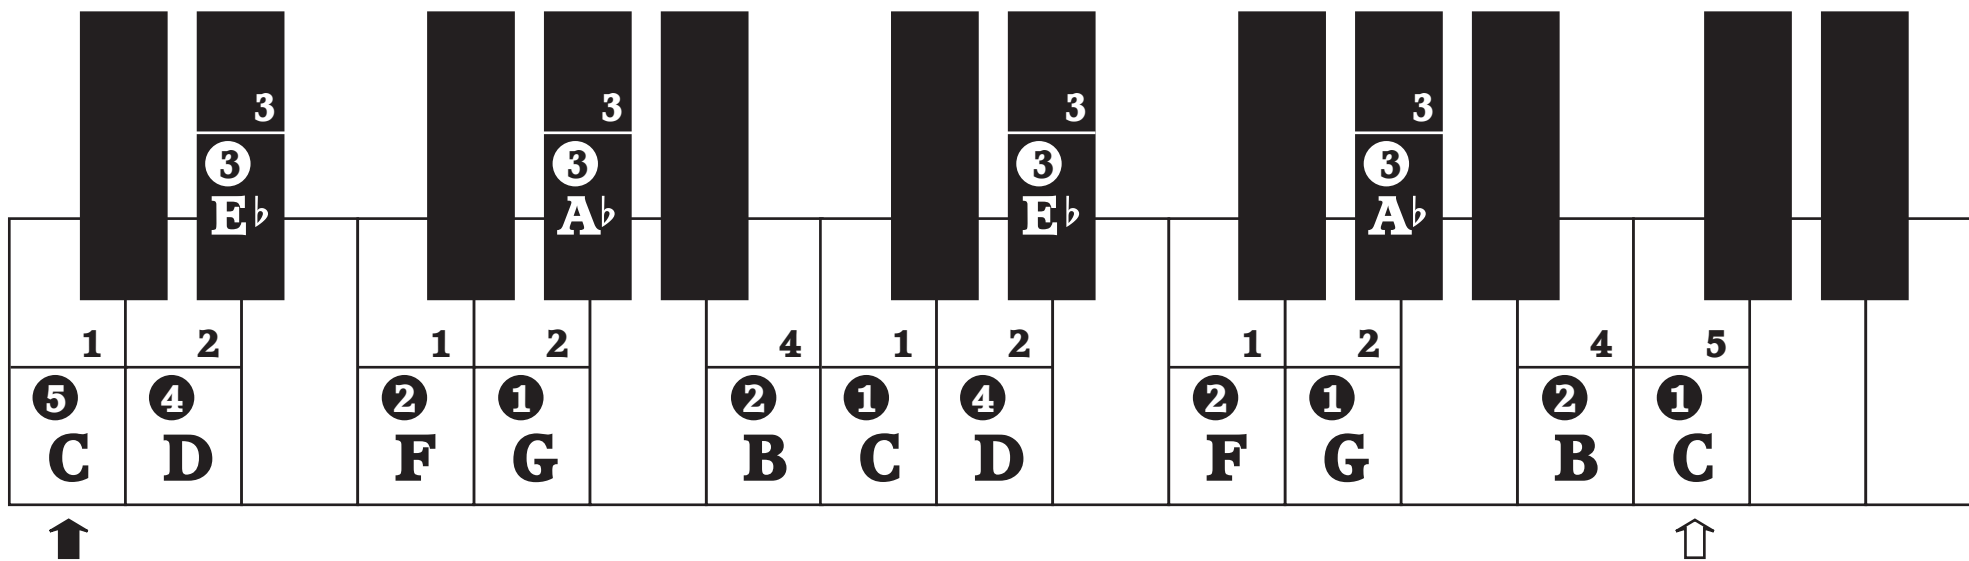

4. **↑** **⇩** indicates the start and end of the a scale or arpeggio respectively.
